# God Miraculously Restored My Health!

**Morris & Theresa Cerullo**

**B**eloved, a few months ago I received the most glorious, miraculous healing of God I have ever seen for my life. I believe it is the greatest miracle of the 21st century. Many of you may not know, but for **nine** months I lay at death's door. No doctor could help me. I went to the doctor every week. They looked at my vasculitis, a serious disease that inflicted terrible pain and sleeplessness and gave me little hope of recovery. This disease was eating my flesh every day. I had a huge, gaping wound on my leg. The doctors were helpless and they couldn't do anything.

They gave me pain pills. Sometimes the pain was so severe that it felt like the top of my head was coming off. It continually got worse. I went to one doctor after another until finally I was referred to a

specialist who dealt in wounds. All he could do was give me some kind of pill that I took for a day or two, but then I refused to take any more—because to have any affect, I'd have to take 40 of them a day!

I was totally paralyzed in my left leg. Many of you prayed for me. I received so many hundreds of notes—love notes from friends all over the world. Others came to visit me. Many came to show their love—pastors and ministers from all over the world saw my leg and prayed for my healing.

## **RESTORATION MIRACLE BLESSING #1: My Healing—Your BLESSING!**

But just a few months ago, God gave me the most incredible, awesome RESTORATION MIRACLE BLESSING. He healed me! The large, gaping wound is now healed and the skin is almost as smooth as a baby. You can hardly tell where the wound was. I can walk! I can run! I am regaining strength EVERY DAY! Hallelujah!

### **God Miraculously Healed Brother Cerullo's Leg!**

**BEFORE AFTER**

***"I was an invalid ... unable to walk ... but now I am running!"***

**N**ow, I want you to experience the same incredible RESTORATION MIRACLE BLESSING I received. You may have hindrances in your circumstances that have kept you from entering into the fullness of what God has for you. But God is going to have Himself a people—a people who will cross over to their RESTORATION MIRACLE BLESSING that He has for them—a blessing they have never experienced before!

**This is your turnaround season—your turnaround time.** As God is with me, so shall He be with you! Now is your time to experience your own RESTORATION MIRACLE BLESSING!

## **RESTORATION MIRACLE BLESSING #2: Legacy Center Approved by Local Planning Group!**

Beloved, we are excited to share another MIRACLE with you—this time, with the Legacy Center. God gave us supernatural, turnaround favor! We have received approval from the Mission Valley Planning Group and their architectural subcommittee, a unanimous recommendation to the San Diego City Planning Committee to move forward in building the LEGACY CENTER and **we are planning to break ground by March!**

And if that wasn't enough—on September 9, the MISSION VALLEY NEWS, a local newspaper, published a positive story about the Mission Valley Planning Group approving our design for the LEGACY CENTER. This same news outlet had previously written an unfavorable article about the Center, but God turned things around, and gave us favor—just like He will do for you! Remember, this is not the work of a man, but the work of the Holy Spirit! *When a man's ways please the Lord, He makes even His enemies to be at peace with him* (Proverbs 16:7, NKJV).

**We will reach the world through the Legacy Center, the place God has ordained to train millions of believers from around the world to reach souls for Christ.**

**world to take their nations for Christ, has taken root!** God truly does hear our prayers, and He answers us with miracles of healing, restoration, and blessing like never before! To God be the glory!

While I have traveled to Brazil, Panama, Ecuador, London, Nigeria, the Congo, and soon on to Israel, where we will train Messianic leaders ... **Mama has been working very closely with our architects to choose the design materials and furnishings that will make this LEGACY CENTER your home away from home.**

You will truly have the most refreshing, meaningful time of spiritual impartation and divine anointing when you join Theresa and me at the LEGACY CENTER, very soon!

**B**eloved, this year we have experienced powerful, spiritual breakthroughs at the Mission Valley Resort, the property where we will prepare to lay the foundation for the Legacy Center.

First, we held the South Sudanese School of Ministry, focused on training South Sudanese Nationals. Second, we held our first Hispanic School of Ministry, training a new set of *Proof Producers* with our Hispanic leaders, and celebrating 50 years of ministry to the Spanish-speaking world. Third, we held an historic Arabic School of Ministry, where Arab believers were equipped with the *Proof Producers* anointing. These Schools of Ministry on the Legacy grounds planted a seed that will spiritually prepare the Legacy Center when it opens!

Raising up Nationals at the Hispanic School of Ministry on the Legacy Center grounds.

We will continue to keep you informed of significant events—truly miraculous happenings—that will eventually lead us up to the day that we are all looking forward to—entering the **Morris Cerullo Legacy Center**.

We launched this LEGACY CENTER project five years ago, and at each step of the way God has given us MIRACLE BLESSING after MIRACLE BLESSING! Oh, beloved, how Theresa and I have been praying for you during this time of preparation, that YOU would enter into the same experience of daily, heavenly miracles as you harken unto *thus saith the Lord*.

## RESTORATION MIRACLE BLESSING #3: You Are Crossing Over!

The Lord spoke to me in prayer. “Morris, make plans for continuing the ministry I have given you after I have called you home. I don’t want this ministry I have given you to die.” At that moment, the vision for the Legacy Center was birthed. By the end of this year, we will have 8 brand new, never before offered, e-learning courses completed, and 18 more courses ready for final testing. Praise God! Millions of Nationals from around the world will be able to receive training, all at the same time, right from their home countries. Wow! We can reach the whole world in no time through our Legacy e-learning school.

The Legacy Center is that God-ordained assurance that our ministry (yours and mine!) will never die. It is being designed and dedicated to bring God’s RESTORATION MIRACLE BLESSING into every area of your life, family, and ministry.

Beloved, I need you, now more than ever to partner with me to see all that God has planned for the Legacy Center to come to past ... I’m asking you to do what God is telling you to do. **GOD WANTS TO USE YOU!** Take a look at how these beloved Partners raised the levels of their faith:

### Trusted the Lord to Provide Pledge Commitment—and He Did!

*I made a commitment to God and to Dr. Cerullo’s Legacy Center, which was due to be taken out of my account tomorrow. I trusted the Lord to provide, but still did not have all of my seed. Yesterday, a co-worker came up and placed a \$200 check in my hand saying, “The Lord told me to give you this.” Then this morning, a family member put the rest in my account. Supernatural provision!*

### ... and another!

*I was overjoyed to attend the Raleigh Partners’ Conference, where I pledged to give toward the Morris Cerullo Legacy Center. Although I could not see how I could do it, I received the amount I believed God for and was able to complete my pledge. I thank God for providing seed to sow toward this rich soil for Jewish evangelism. Glory to God!*
