MORRIS CERULLO WORLD EVANGELISM
2017 BOARD OF ELDERS'
**DEEPER LIFE
CONFERENCE**

Town and
Country Resort
& Convention
Center

San Diego,
California

June 2-4, 2017

Beloved, you're invited to join Theresa and me as our guest for this exclusive, Board of Elders' conference, June 2-4, in beautiful San Diego. God has called me to gather my closest Partners together for a deep, intimate time of impartation and anointing.

At this private retreat, God's servant will lead you into a Deeper Life experience with God to receive the amazing, personal BREAKTHROUGHS that you have been crying out to God for.

Partner, this is your destiny! This is your moment! God has given me a Word that is only for YOU and my closest ministry Partners who have stepped up and entered into this deep Elder relationship with God's servant!

Beloved, you have been chosen to come up to a GREATER PLACE in God where all your obstacles and limitations will be shattered.

Since my wife and I attended a partners' conference, we have had a total change in our lives and ministry regarding finances including debt cancellation ... It was a giant step of faith to sow the \$1,000 gift for Elder ordination, but after I did, I received \$20,000 for my missions work from someone I didn't even know.

J.G., Norway

The legacy vision and anointing will be birthed deep within your spirit ... and I am praying that you will grasp the immense reward and blessing that is coming to you because of your close partnership.

At the Board of Elders' Conference, I came with discouragement and doubt. But the Lord came to me, He spoke to me ... He strengthened me, gave me a Word and marching orders ... Thank God for Papa Cerullo, for MCWE, for being part of this ministry ...
