Mortgage Balance Reduced!

I went to a Morris Cerullo School of Ministry when I was behind in my mortgage payments and was in danger of losing my house. My mortgage balance was \$132,400, with a 9.5% interest rate, monthly payment of \$1,547, and I was two months behind. Morris Cerullo prophesied, "some of you are in foreclosure, have lost your homes, are behind in your mortgage payments, but God is going to give your home back to some of you, it may not be the same

one you lost, but He is going to give you a new home. For some, God is going to bring you out of foreclosure, and to others, God is going to bring you current with your mortgage payments."

I received the Word of God. Before thirty days past, my mortgage balance was reduced to \$71,000 from \$132,400, my interest rate was reduced to 2.5%, my monthly payments were reduced from \$1,547 to \$623 including escrow, and my mortgage was brought current. Thank you, Morris Cerullo!

Anna Dances After 30 Years in a Wheelchair!

During the Morris Cerullo School of Ministry, I wheeled my wheelchair up to the front as the speaker (Steve Munsey) was prophesying. Both Dr. Cerullo and Steve Munsey shouted at me, "Get up!" I got up out of my wheelchair and walked! I danced before the Lord! All glory to God! I had been crippled with arthritis for 30 years ... NOW, I CAN WALK!
