# THE MORRIS CERULLO LEGACY INTERNATIONAL CENTER

One of the most defining moments of destiny for me was in 1962, in Porto Alegre, Brazil. Over 50,000 people a night were answering the call to salvation. In the midst of that awesome move of God's Spirit, I received a divine mandate:

**God said, "Son, build Me an army!"**

God showed me that the key to evangelizing a closing world was to raise up Nationals full of the power of the Holy Spirit, who could train others in their own nations to proclaim the Gospel in a demonstration of God's power. Since that moment of destiny in 1962, I have poured my life into training and equipping an army of Nationals around the world.

When I was 80 years young, I was preparing to minister to my Partners. God spoke to me, "Prophets never retire." Then later He said, "Morris, what I've given you ... what I've

used you to pour into the lives of millions, I don't want this ministry to die." **The fulfillment of God's vision is the Morris Cerullo Legacy International Center!**

The purpose of the Legacy Center is to invest into your life, and the lives of millions of hungry Nationals around the world, the most dynamic, cutting-edge teaching and training available in the Christian world. The Legacy Center will be an eternal investment for the Kingdom of God!

Outside of our Legacy Center and alongside of the Walk of Faith will be a replica of the Wailing Wall which is in Jerusalem, Israel.

**JESUS** commanded us, *... go and make disciples of all nations ...* Matthew 28:19, NIV

This year, more than 20,000 Nationals have signed up to receive more information about the Legacy Center. Together, let's bring this e-learning, breakthrough training to the world!
